Tips cepat

- Courses & Equipment = data katalog (harga, foto, deskripsi).
- WDC Site = teks section homepage/about/contact/CTA/crew/testimoni.
- WDC Members = request member + giveaway + rekening TF.
- Harga publik; tombol Daftar/Beli butuh login member.
- Centang "Show in catalog" supaya item muncul di /courses/ atau /equipment/.
- Featured Image penting untuk card catalog; kosong = fallback tema.
- EN di frontend = chrome UI (/en/). Isi artikel/course body tidak auto-translate.
- Kalau tampilan belum berubah: Ctrl+F5 dulu.
